

02 November 2023

Mrs Kate Lewis
Crowcombe and Stogumber C of E Primary Schools

Dear Headteacher, Staff and Pupils

Harvest Donations

We were delighted to have such a huge amount of Harvest donations delivered from you all yesterday, and really pleased to have these filling our rather empty shelves.

We have been busy throughout the long summer holiday and again at half term making sure that children did not go hungry, so thank you all very much for helping us to continue making a difference in the Quantock area.

Some of you may have heard about our Mobile Pantry Project and wondered what it was and whether it was ever going to happen. Well, last week we had the first pictures of the new all electric vehicle which will be delivered to us in the next few weeks, and we are quite excited. There will still be work to do before you see it in Crowcombe or Stogumber but it is on its way at last and, because it is electric, it will not be producing any harmful greenhouse gases. It even has solar panels on the roof!

We are also hoping to include one of your drawings in the logo which will be on the sides of the vehicle.

Thank you all so much once again for your kindness in thinking of others.

Kind Regards

Marlene Mason
