Kingfishers

Spring 2026

Curriculum

English

This term in English, we will focus on developing our writing skills across different genres:

- Narrative (Adventure): Crafting exciting adventure stories with strong character development and vivid settings.
- Recount (Diary): Writing personal diaries to explore perspective and expression.
- Persuasion: Learning how to write to convince and influence the reader.

In addition, students will explore performance poetry, focusing on The Charge of the Light Brigade and The Highwayman, developing their reading aloud and performance skills.

Mathematics

- Year 5:
  - Short multiplication and division
  - Area calculations
  - Scaling problems
- Year 6:
  - Drawing, composing, and decomposing shapes
  - Multiplication and division strategies

Science

- Life Cycles and Reproduction: Understanding how living things grow, develop, and reproduce.
- Living Things: Evolution and Inheritance: Exploring how species evolve over time and how traits are passed down.
-

History

What was the impact of World War 2 on the people of Britain?, We will explore:

- The experiences of people during World War 2
- How the war affected daily life, society, and communities

Geography

Why do oceans matter?, we will investigate:

- The importance of oceans to life on Earth
- Environmental issues affecting oceans
- How humans interact with and impact marine environments

Music

Children will learn to decipher a graphic score, improvise on top of a repeating baseline and create variations using a wide variety of composing techniques. All based on 'Twinkle, twinkle little star!
Children will be using Music technology to create soundscapes.
